

# T PRO

| Model         | Length | Length | PU | VP  | Art. Nr. | EAN           |
|---------------|--------|--------|----|---|----------|---------------|
| T PRO         | 23 cm  | 9 inch | 5  |  | 01430701 | 9002719041573 |
| T PRO DISPLAY | 23 cm  | 9 inch | 10 |  | 01430801 | 9002719042075 |

## Characteristics

- Robust aluminum frame combined with ABS plastic guarantees long service life with low weight
- Magnetic stripe with high adhesive strength
- Measuring surface with practical V-groove for pipes
- Viewing window integrated into frame and large vials ensure optimal readability
- Four-ring vial for incline display of 1% when measuring horizontally
- Compact, lightweight, handy

## Applications

- Horizontal measurement
- Vertical measurement
- Angle/inclination measurement

## Manufacturer

SOLA-Messwerkzeuge GmbH & Co KG  
 Unteres Tobel 25  
 6840 Götztis, Austria  
 T +43 5523 533800

## Technical details

|  |   |
|--|---|
| Item description                       | Torpedo spirit level                      |
| Dimensions                             | 230 x 15 x 43 mm                          |
| Material                               | Aluminum/ABS plastic                      |
| Color                                  | black/red                                 |
| Measuring tolerance, standard position | 1.00 mm/m (0.057°)                        |
| Number of horizontal vials             | 1   |
| Number of vertical vials               | 1   |
| Special characteristic                 | 45° angled vial, 4-ring vial (1% incline) |
| Measuring surface                      | Aluminum/V groove                         |
| Magnet                                 | Magnetic strip                            |
| Magnet                                 | Yes                                       |
