

LSB

Model	Length
LSB 300	300 mm
LSB 500	500 mm
LSB 1000	1000 mm

Technical details:

Item description	Steel ruler
Material	Stainless spring steel
Surface	polished
Graduations	mm/cm, 2-piece, etched on both sides
Scale grid	0.5 mm
Width	30 mm
Thickness	0.04 in. (1 mm)

CHARACTERISTICS:

- Robust ruler for high operational demands
- Wear-resistant, very easy-to-read scale
- Particularly resistant, corrosion resistant spring-steel
- High-resolution scale for particularly precise measurements
