

CROSSLINE GREEN NX Line Laser

Compact, lightweight, handy. The CROSSLINE GREEN NX line laser.

The CROSSLINE GREEN NX line laser with green laser diodes for horizontal and vertical leveling and working on right angles. The line laser is suitable for a wide range of interior construction tasks: tiling, painting, assembling furniture and much more

Highlights

- Fully automatic self-leveling with ± 0.2 mm/m accuracy within an incline range of $\pm 4^\circ$
- Horizontal and vertical green laser lines project a right angle and can be adjusted individually.
- Thanks to REAL GREEN laser technology, the lines are particularly bright, sharp, and more visible.
- Permanent pulse function enables use of the optional REC LGD0 receiver over longer distances or in difficult visibility conditions.
- An optionally available inclination adapter allows you to mark inclines.
- Rotatable base for easy and rapid alignment of the line position
- Simple, intuitive operation thanks to single-button control
- Dust and water-resistant design thanks to robust IP54 housing
- 1/4" screw for horizontal and vertical measurements from a tripod

The multi-function WB wall mount is included within the scope of delivery of the CROSSLINE GREEN NX for mounting the laser on magnetic surfaces, walls or rails.

CROSSLINE GREEN NX order information (item no. 71013801)

Included with delivery

- CROSSLINE GREEN NX
- 3x 1.5 V (AA) batteries
- Battery adapter BA
- Wall mount WB
- Case

Technical Data

Max. measuring tolerance	±0.2 mm/m
Self-leveling range	±4°
Application range without handheld receiver (radius)	25 m*
Application range with handheld receiver (radius)	80 m*
Operating temperature	-10°C to +50°C
Tripod screw connection	1/4"
Protection class	IP54
Power supply	3 x 1.5 V (AA) batteries
Operating time (at 20°C)	8 hrs
Laser class	2, DIN EN 60825-1: 2014

*Depending on conditions at work site.

Optional accessories

Item no.

Universal clamp tripod UTC	71122101
Telescopic tripod TST	71121501
Crank tripod KST	71121101
Tripod BST	71120101
Compact tripod FST	71121701
Flexi-rod FL	71132101
Measuring rod ML	71130501
Inclination adapter NK1	71128501
Laser visibility glasses, green LB GREEN	71124601
ZLM GREEN magnetic target plate	71126301
REC LGD0 handheld receiver	71111901
