

PLANO 4D GREEN

360° line laser

360° line laser with two horizontal and two vertical laser lines

The PLANO 4D GREEN is a self-leveling line laser with four REAL GREEN 360° laser lines for horizontal and vertical leveling. The horizontal laser line close to the ground enhances the wide range of possible applications of a multi-line laser when working on interiors. Ground work in particular can be performed with precision using the laser line close to the ground.

Highlights

- Highest precision thanks to self-leveling with an accuracy of ± 0.3 mm/m in a range of $\pm 3^\circ$.
- Two 360° vertical and two 360° horizontal laser lines, with individual connection for complete flexibility.
- Real Green laser technology for particularly bright, sharp and clearly visible lines.
- Additional tilt function.
- Pulse function for use with the optional receiver REC LGD0 in difficult visibility conditions.
- Duration of up to 8 hours and flexible and cost-effective power supply thanks to high-performance rechargeable Li-ion battery cells.
- Compact, convenient design with just three operating buttons for intuitive, single-handed operation.

The WB wall mount included in the delivery contents adheres quickly and easily to metallic surfaces thanks to strong magnets - ideal for aligning drywall rails.

Order information PLANO 4D GREEN (Item no. 71018001)

Delivery contents

- PLANO 4D GREEN
- 4x rechargeable Li-ion battery cells
- Charger incl. cable and power plug
- Wall mount WB
- Case

Technical Data

| | |
|--|--|
| Max. measuring tolerance | ±0.3 mm/m |
| Self-leveling range | ±3° |
| Application range without handheld receiver (radius) | 30 m* |
| Application range with handheld receiver (radius) | 80 m* |
| Operating temperature | -10 °C to +50 °C |
| Tripod screw connection | 1/4" + 5/8" |
| Protection class | IP54 |
| Power supply | 2x3.6 V rechargeable Li-Ion battery cells (3450 mAh) |
| Operating time (at 20 °C) | 8 hrs |
| Laser class | 2, DIN EN 60825-1:2014 |

*Depending on the surrounding conditions at the work site.

Optional accessories

Item no.

| | |
|-----------------------------------|----------|
| REC LGD0 handheld receiver | 71111901 |
| Clamp tripod UTC | 71122101 |
| Telescopic tripod TST | 71121501 |
| Crank tripod KST | 71121101 |
| Tripod BST | 71120101 |
| Compact tripod FST | 71121701 |
| Flexi-rod FL | 71132101 |
| Measuring rod ML | 71130501 |
| LB GREEN laser visibility glasses | 71124601 |
| ZLM GREEN target | 71126301 |
| Inclination adapter NK1 | 71128501 |
